

Hi \*\*\*\*\*

Thank you for getting in touch. We're pleased you have found a suitable house-sit.

### **How to apply for the house-sit**

To apply for the sit, you now need to become a full member. This will allow you to contact the home-owner directly. The home-owner will then consider your application and hopefully, ask to talk further.

[Become a member now](#) - or click on the 'Join NOW' link on the homepage of our website.

### **How much does it cost to become a full member?**

Your membership price will depend on the states and zones you select when you register. A 12-month membership starts from just \$115.

Read our [Prices](#) page to find out more.

### **What if I don't get the sit I want?**

Although that can be disappointing, it's not the end. Once you're member, you can apply for other house-sits within your selected states and zones for the duration of your membership.

We have at least **XX** homes listed on our website at any given time. And that number is growing everyday.

### **Still unsure?**

We understand it's a big decision. So why not read what our [other house-sitters have had to say](#) about our service?

### **Any questions?**

We're here to help. Please reply to this email with your enquiry or call us on **1300 780 809**.

Kind regards
