Career Counselling

Realise your ambitions. Achieve your goals.

Planning your career can be challenging. That's why we provide the support services you need to succeed. At Holmesglen, we guide you in the right direction, so you can realise your ambitions – and achieve your goals.

Careers and vocational counselling

Free to all Holmesglen students, our careers and vocational counselling is designed to help you:

- Research, assess and plan your career
- Identify your interests, values and strengths
- Clarify your career goals and develop strategies to achieve them
- Explore further study opportunities and course options
- Apply for VTAC

Please bring information about your studies or potential career directions to your appointment.
