**Our pod is the

our school**

“

The Harwyn team is fabulous to work with. They oversee all aspects of the project until its end and ensure that the job is done to meet all our needs.

Our pod is the best building in our school.

# We were amazed at how much input we could have

“

We were amazed at how much input we could have, from door and window orientation to colour palette to floor coverings. And the communication during the process was fantastic.

”

**Rob Kitchingman, Projects Manager**  
Huntingtower School

# Students prefer the pods to our existing facilities

“

Since installing two pods on our Junior School campus, our instrumental music tuition program continues to flourish. So much so, students and instrumental music teachers prefer the pods over our existing facilities.

”

**Steven Cuddon, Business Manager**  
Camberwell Girls Grammar School
