

# Careers counselling

Following the latest Victorian Government Coronavirus (COVID-19) advice, our Student Wellbeing team is currently providing services by phone or online only. Our office remains open 8.30am to 4.30pm, Monday to Friday.

Planning your career can be challenging. That's why we provide the support services you need to succeed. At Holmesglen, we guide you in the right direction, so you can realise your ambitions – and achieve your goals.

## Careers and vocational counselling

Free to all Holmesglen students, our careers and vocational counselling is designed to help you:

- Research, assess and plan your career
- Identify your interests, values and strengths
- Clarify your career goals and develop strategies to achieve them
- Explore further study opportunities and course options

Please prepare information about your studies or potential career directions for your phone appointment.
