

The Paskal story

In 1994, we set out to give the outdoor equipment industry what it needed most: high-quality materials at affordable prices. Driven by hundreds of loyal clients over the years, we're now a leader in Australia – with over 4,000 products to our name.

Since day one, we've created innovative products that our clients can trust and their customers can rely on – in any condition.

How do we do it? Through in-depth research, a rich understanding of our customers and big-picture thinking.

Today, we're one of the country's leading canvas providers, with distributors across Australia and New Zealand. Our name has become synonymous with quality.

What makes us different. What makes us better.

120+ YEARS' INDUSTRY KNOWLEDGE

Drawing from the best of the best around the world, we blend over 120 years of knowledge in designing and crafting superior canvases.

COMPREHENSIVE QUALITY CONTROL

We oversee the entire manufacturing process from start to finish. It's the only way to ensure our exceptional standards are met and maintained, time and again.

DURABLE CANVAS AT FAIRER PRICES

We believe you deserve robust canvas at prices you can afford. That way you get better products, happier customers – and a stronger bottom line.

SPECIALISED IN OUTDOOR EQUIPMENT

We go above and beyond to understand your unique needs, so that we can deliver you canvases that are truly fit for purpose.

Need a canvas that's tough as nails?

Order now – and give your customers the durability they deserve, season after season.

When the going gets tough,
CHOOSE THE RIGHT STUFF

Strong, weather-proof canvases –
for rough Aussie adventures

Weather won't win – with Razorback

At Paskal, we know Aussie weather better than anyone. That's why our Razorback canvas is developed, engineered and designed with the Australian climate in mind.

Providing the best quality canvas for your customers' open-air adventures is a must – whatever conditions they face. And with Razorback, that's exactly what they get.

We're talking quality down to the micro details... and every last design and manufacturing decision.

Cutting-edge technology is also our bedrock. Using premium poly cotton yarns, our modern proofing process and advanced drying technique ensures hardy protection against harsh environments.

Razorback canvases are designed with no heavy metals or mercury – keeping in line with key environmental policies and customers' health and safety.

And for the peace of mind that you and your buyers deserve, all our canvases are backed by a five-year limited warranty.

RESISTANT AGAINST EXTREME WEATHER

Severe storms, a scorching sun and high humidity. Australia's climate is a force to be reckoned with.

By locking in vital properties in our proofing process, Razorback protects against UV, water, mould and mildew.

STAYS STRONG WELL INTO THE FUTURE

With tear and shrink resistant capabilities, our durable canvas is made to last. Season after season... after season.

What's more, your equipment will look like new long into the future, thanks to the high colour fastness of our canvases.

COMFORTABLE IN ALL CONDITIONS

Razorback is a breathable fabric, making it a safe choice all year round.

Your customers will always be comfortable – wherever and whenever they choose to adventure.

Feel the quality for yourself
