A Graduate Program like no other

A fast-growing firm with a vibrant culture

Professional services is our business. But our people, clients and community sit at the heart of all we do – always.

BellchambersBarrett began in 2014 with a team of four powered by a big vision. Since then, we've been recognised as the second fastest growing startup in Australia (Australian Financial Review 2018) – specialising in consulting, audit & assurance, and tax & business advisory.

Our partners hail from top-tier firms and remain hands-on in all engagements. This means you get to learn directly from their years of experience and wisdom.

Because we genuinely care about who we work with, we go to great lengths to create a supportive and inclusive workplace culture. And we don't just encourage 'work-life balance'. We insist on work-life *brilliance*. Your health and wellbeing always come first.

We're also committed to our community. From pro-bono work to major sponsorships, our firm gives back in all kinds of ways. So, if you have causes close to your heart, let us know.

We'll support you – so you can support *them*.

Graduate Story

Edana Nguyen

From intern to trainee... to full-time consultant. Edana Nguyen hasn't looked back since starting her career at BellchambersBarrett.

I first joined BellchambersBarrett as a summer intern in 2019. Then, at the end of the three-week stint, I was offered a permanent part-time role as an audit trainee – an opportunity I couldn't refuse.

The first year of my traineeship was challenging. I had to learn the ropes at work while juggling my university studies.

But the team was very supportive. Even the partners would regularly check in with me to ensure I was settling in.

Two years later, upon graduation, I formally joined the firm – as a full-time consultant. Thanks to the exposure to a diverse range of work, I now manage clients and projects with autonomy and confidence.

But the best part about working at BellchambersBarrett? Definitely the people! Everyone is so friendly and welcoming. It's like a second family. And I love that I can truly be myself.

I've just started the next chapter in my career: working towards becoming a Chartered Accountant (CA) – with the full support and encouragement of my employer.

Looking back at everything I've accomplished so far, and knowing what lies ahead, I'm so grateful that I chose BellchambersBarrett.

The team
is like a
second family.
