

# AQUA MOSMAN

PLAY VIDEO

A masterclass in premium living. A brand-new architectural landmark.

A masterclass in premium living. A brand-new architectural landmark.

Layers of refinement and an enduring sense of place. This inspired collection of four bespoke apartments defines understated luxury.

Perched gracefully over Middle Harbour with stirring vistas of the Lower North Shore, every space in Aqua Mosman has been curated to embody the true essence of Mosman. Journey to a lifestyle of the highest distinction.

1 10

“Taking cues from the natural surroundings in both the lush, established landscaped site and glistening harbour beyond, Aqua Mosman has been designed to embrace its surroundings in the heart of the Lower North Shore's most prized peninsular.”

Amy Eccles, Director - Corben Architects
