CELEBRATING YOUR IMPACT THROUGH DOLLAR MATCHING

Imagine a world where everyone feels safe to be who they are. An inclusive world. A world where everyone feels like they belong. Well, that is what you're helping us to achieve.

Dear Vikki

These last few weeks of celebrating 30 years of service with you, has been such an incredible honour.

And the results we have achieved together have created positive changes for generations to come.

150,000 students have been reached.

That's 150,000 of our future leaders educated on the dangers of racism, bullying and prejudice.

And we aim to educate another 30,000 students over the next three years.

But our work is far from over.

I am so grateful to each and every one of you who have already donated. You are making a huge impact.

And if you haven't yet donated, there is still time to double your impact if you donate now.

Will you be a part of this societal change?

Hear from our Deputy Chair, Judy Glick and Survivor Custodian Speaker, Susan Hearst how we are creating a generation of Upstanders.

THERE'S STILL TIME TO HELP! DONATE TODAY AND YOUR GIFT WILL BE DOUBLED

With your generosity today, and our donors' dollar matching commitment, we'll be twice as far to forging a more inclusive and just society.

With thanks,

Dr Tony Weldon OAM FRACP
Chair, Courage to Care Victoria

PS. Maximise your impact. Donate today and our generous supporters will match it dollar for dollar. Join us in creating future generations of Upstanders.
