

Buy-a-Seat fundraising. Made easy.

Say goodbye to manual fundraising for your school.
And hello to a streamlined, straightforward process.

Buy-a-Seat is a custom campaign website that empowers your school's community to engage with your fundraising efforts.

Whether it's plaques on a seat, bricks in a wall or classrooms in a building, we'll craft a purpose-built platform for your school's campaign. Tailored to however you want it to look – and to your school's specific fundraising goals.

Your donors can select their "seat" online, write (then preview) their personalised plaque inscription, and check out – simply and securely.
