Who we are

A strong desire to instill altruism and generosity in their young children led Candie Schloesser and Ruth Tuller-Semel to start Kids Giving Back in 2012.

Since then, we've been providing volunteering opportunities for thousands of kids and families across NSW.

Today, we work with more than 50 charity partners and offer volunteering opportunities for every age.

Hear from those we've worked with

Those meals made me so happy

I would like to relay the wonderful comments our client Jonathan made recently when he received the meal from your Cook4Good program. "Those meals made me so happy. For a long time I have been feeling really down but when I received the meal I thought to myself 'The world is a good place', it's not all bad."

I thought it was brilliantly put together. Easy, informative, clear instructions, well prepared. The girls favourite part was cutting up the food and also delivering the food and meeting the person we delivered to.
